How to login to the Fusion App V2

Download the app

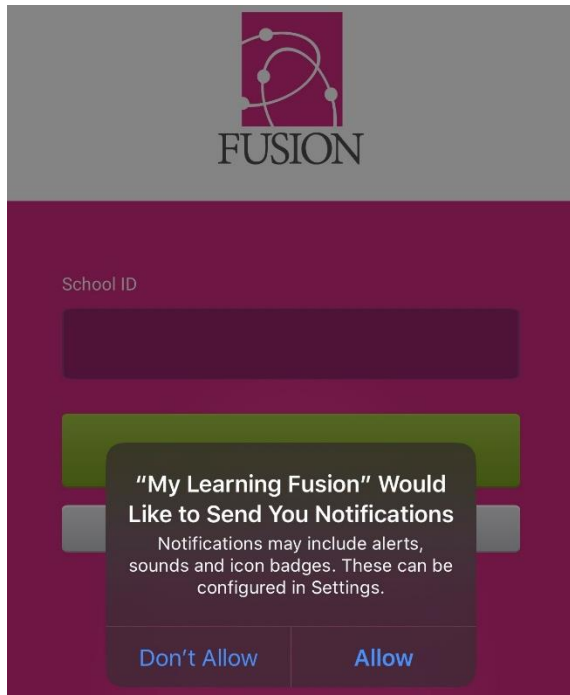

Download the app from your App store.

For Apple devices please go to the App store and search for “My Learning UK”

For Android devices please go to Google Play and search for “My Learning UK”

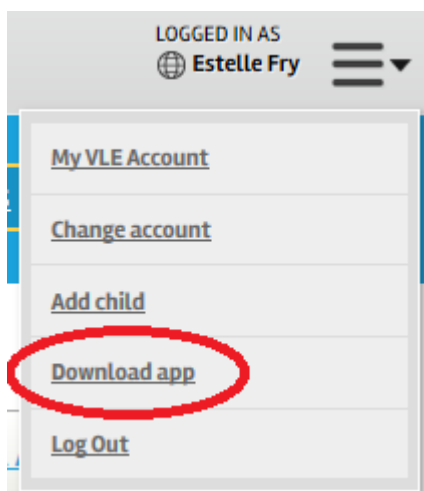

Allow notifications when prompted

When asked to please allow notifications to your device. Without doing this you will not get updates from your school.

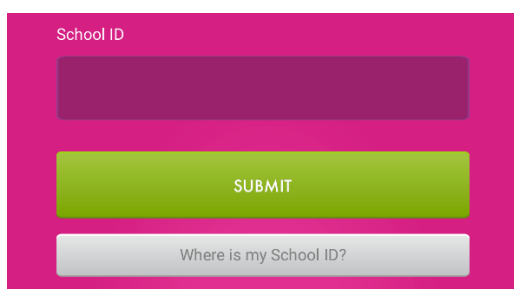

Enter your school ID

Your school ID will be provided to you by your school or you can login to your account in a browser. Click on the menu button in the top right, then select 'Download App'. Here you will be able to see your school ID.

Enter your school ID into the app and click submit

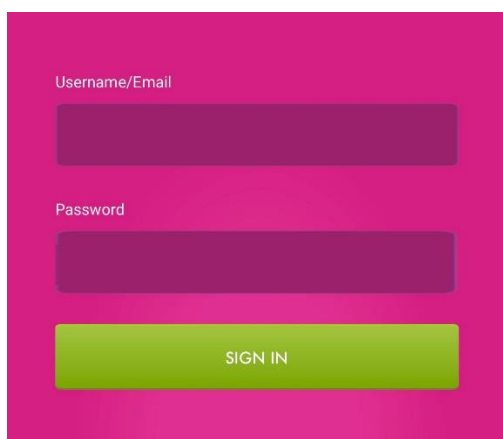

A screenshot of a mobile app interface with a pink background. At the top, the text "School ID" is displayed. Below it is a dark purple rectangular input field. Underneath the input field is a green button with the word "SUBMIT" in white capital letters. At the bottom of the screen is a light grey button with the text "Where is my School ID?" in a smaller font.

Login with your username and password

You will need to login with your normal username and password that you use to login to Fusion in a normal browser.

If you are unsure what your login details are please contact your school and they will be able to assist you with this.

A screenshot of a mobile app interface with a pink background. At the top, the text "Username/Email" is displayed. Below it is a dark purple rectangular input field. Underneath that is the text "Password" followed by another dark purple rectangular input field. At the bottom of the screen is a green button with the words "SIGN IN" in white capital letters.

Help

If you are having trouble with logging into the App please contact your school and they will be able to assist you.
